

FoodSafety TRAIN

<http://www.foodsafetytrain.ugent.be/>

UGent Distance Learning Platform in Food safety, Quality Assurance and Risk Analysis
(with financial support of VLIR-UOS, Belgium and EU FP7 Veg-i-Trade)

FoodSafetyTRAIN offers courses in 6 thematic topics

<http://www.foodsafetytrain.ugent.be/learning-center/introduction>

- This platform is based on materials developed during different courses and international training programs provided by the Department of Food Safety and Food Quality of Ghent University in Belgium (<http://www.foodscience.ugent.be/>).
- Interested trainees could blend their e-learning experience with classroom, by applying to attend some of the modules provided in the International Training Program on Food Safety, Quality Assurance and Risk Analysis organized by Ghent University in Belgium
- For a restricted number of participants, some scholarships are foreseen. See website for more information.
